

In order to minimize impacts to the traveling public, two lanes of traffic will be maintained at all times on Route 17 between College Drive and the I-664 Interchange during project construction. However, those wishing to avoid the new bridge construction area on Route 17 can bypass the area entirely using this alternate route.

Route 17- Alternate Route From High St/Western Branch Blvd

From High St/Western Branch Blvd (Northbound Route 17):

Make right on Towne Point Rd.

Cross over Route 164 (Western Freeway).

Make Immediate left onto Route 164 (Western Freeway) Westbound Entrance Ramp.

Continue on Route 164, through Route 664 interchange, and take exit Route 17 North (Bridge Rd).

 **Alternate Route**
